The minor consists of a minimum of six courses with a total of at least 20 units. There are two required courses (8 units) and four qualifying or elective courses (12 or more units). All courses for the minor must be letter graded. An overall 2.75 grade point average (GPA) is required for courses fulfilling the minor. For complete description of program requirements visit http://www-.https://statistics.stanford.edu/academics/undergraduate-programs.

REQUIRED COURSES

Statistics Courses:
STATS 116 Probability
STATS 200 Theoretical Statistics

Qualifying Courses (choose one):
MATH 52 Integral Calculus of Several Variables
STATS 191 Introduction to Applied Statistics
(Only one of these two courses may be counted toward the minor requirement.)

ELECTIVE COURSES

At least one of the elective courses should be a STATS 200-level course. The remaining two elective courses may also be 200-level courses. Alternatively, one or two elective courses may be approved courses in other departments. Students may not count any Statistics courses below the 100-level toward the minor.

You may choose electives from the list at: https://statistics.stanford.edu/statistics-minor
